

# ASX Announcement & Media Release

## CEO Update

Melbourne, 21 February 2019

Having joined **Axsesstoday Ltd (ASX: AXL)** (“Axsesstoday” or “Company”) as CEO on 22 January 2019, I have made the decision, with the support of the Board, to replace Joe Flanagan in his roles of Chief Financial Officer and Company Secretary effective immediately.

I have appointed Julia van Graas to step in as Interim CFO while I commence a search for a permanent CFO. Julia is a co-founder of Spiique, which provides hands-on leadership support and interim leadership to organisations. She has deep global experience working as an interim executive in turnaround, transformation and complex situations. Prior to founding Spiique, she was a Partner at EY and was a Director at AlixPartners where she was involved in the restructuring of a FTSE-listed financial services company. Julia is a Chartered Accountant (CAANZ) and a Graduate of the Australian Institute of Company Directors.

The board has appointed Melanie Leydin as Company Secretary. Melanie has over 28 years’ experience in the accounting profession and over 16 years’ experience as a Company Secretary for ASX listed companies.

With a new leadership team now in place and pending the release of our Half Year Results, I am further advising that the company has put its previously communicated equity raise temporarily on hold. I look forward to providing a more detailed strategic update shortly.

**Joanna White**  
**Chief Executive Officer**
